

DRAW / DIAGRAM OF THE ACCIDENT

** Please indicate YOUR car and the other cars involved in your accident. Remember to include the street names/road names. ** You may also draw it on a separate piece of paper and attach it to this document.

The page contains four large, empty rectangular boxes for drawing, arranged in a 2x2 grid. Each box is defined by a simple black line border. The top-left and bottom-right boxes are the largest, while the top-right and bottom-left boxes are smaller. The top-right box contains the directional star symbol.
